

Monday 15th June

StudioMade by Darren McGinn : CoVid OH &S Protocols

StudioMade has REOPENED for classes and courses

Please be aware that even with relaxation of COVID - 19 regulations - the virus remains in our community. We all have a responsibility to minimise the spread of the virus. We welcome you with strict measures and planned strategies in place to ensure the safety of you and our community.

This is how we are keeping you and ourselves safe:

- We pay attention to client health screening, physical distancing as much as is practicable. We maintain small class size.
- The studio and back of house areas have undergone comprehensive deep cleaning over the last few weeks.
- We reduce the spread of any virus or germs by regular environmental cleaning using household detergent and hospital grade bleach.
- We clean and disinfect high touch surfaces such as benchtops, work tables, pottery wheels, doorknobs, taps, door handles before and after every class.
- We increase the amount of fresh air available by keeping doors and windows open as much as practical during, before and after each class.
- The bathroom area and wash areas are cleaned and disinfected before and after each class.
- Ensure you bring your own clean apron and clean towel to each class.

We recommend that you please take the time to read our protocol below:

COVID -19 Client Protocol

Before Class:

- We value our clients downloading the COVID - 19 safe app.
- Please do not attend any class if you are unwell or if you have been exposed to anyone who has had or may have or is quarantining for COVID -19. Just call me if you are not joining us and we will try and organise some studio access (when you are well) time during the school term if this is possible.
- Please do not attend class if you have returned from overseas in the last 21 days.
- Please try and minimise the items you bring into the studio space.

On Arrival:

- Once you have secured your belongings in the container provided please wash your hands for 20 seconds with soap and warm running water. Dry your hands thoroughly.
- If you would like access to your phone during class place it in the snap lock bag provided.
- Put on a clean apron and join the class.

During and end of class:

- Social 1.5m distancing between people is maintained as much as is practicable during class..
- Avoid touching your face or your hair - you must wash your hands if you do so.
- Hand washing prior to, during and after the session is essential. Please wash your hands before and after eating too.
- Please wash your hands if you cough or sneeze - or must access your phone.
- Hand sanitiser is available for your use.
- Sanitise your hands throughout the session

Have a wonderful time! We have done all we can to protect ourselves and each other.
